CRA Newsletter, 5-17-2021

Staffing Update
There are changes in our staffing for next year that I'd like to share.

- Mrs. Lowry in 5th grade is taking an administrative position in Granite School District.
- Mrs. Spittler in 2nd grade is moving out of the country.
- Mrs. Heryford (who is one of our 6th grade teachers) will be teaching 5th grade next year.
- We will have two 6th grade classes for 2021-2022.
- Ms. Paulsen (who has been teaching 1st grade), will be teaching 2nd grade next year.
- Ellise McDermott, a graduate of Utah State, will fill the vacancy in 1st grade.
- Chelsie Vanderwerken, a graduate from BYU, will be our new Kindergarten teacher replacing Falon Nielson/Ms. Shapiro.
- Hannah Kallas will be teaching the 1st through 4th grade special education classes. She has taught for 2 years in Jordan School District.

Mask Requirement Update
Last Thursday, Utah's Governor made a change to the school mask requirements. He stated that during the last week of the current school year, students do not have to wear masks. There is also an option for school districts and charter schools to continue the mask requirement for that last week of school. I have been in contact with the CRA Board - we are discussing options about our mask requirements for the end of the school year and will let you know before the last week of school how we will finish out the year.

Kent Fuller, Principal

SCHOOL LUNCH BALANCES
Please plan ahead for the yummy school lunches that will still be served! It will take nearly $25.00 to finish out the year if your child eats hot lunch every day. Leftover funds will remain in your child's account until next year. If you are leaving the school you may wish to donate those funds. Any questions about refunds, donations and account balances may be directed to dstevens@canyonrimacademy.org.

CHROMEBOOK RETURN
If you borrowed a school Chromebook from CRA, it's almost time to turn them in. Starting next week, Monday, May 24th we'll accept Chromebooks at the office during the school day, except during our busy lunch hour from 11:30-12:30. Charging cords must also be returned at the same time.
We request that an **adult return the Chromebook. Please attach a note explaining any issues or damage and/or if it is working correctly. We will also evaluate the condition of the machine. If the screen is cracked or damage has occurred and you did not pay for insurance, a damage fee will be charged. All Chromebooks must be returned by Wednesday, June 2.

Mark your Calendars…
As you've probably heard, Mr. Fuller is retiring at the end of this school year. We are sad to see him go! Before he leaves, we would like to honor him at an Open House. Join us on Wednesday, May 26, 4:30-6:30 p.m. on the front lawn at CRA to express your appreciation and wish him well.

End of Year Concert
On the final day of school each year, it has been a CRA tradition to have a year-end concert to celebrate the school year and begin a fun summer. As the year ended last year, we were unable to have an in-person concert. This year the concert is back, ☺ but with limitations. In the past we have invited parents to join us, but unfortunately parents will not be invited this year. As we

continue to be cautious about sharing germs until the year ends, this concert will be for the students and faculty only. Thank you for your understanding.

LOST & Found

Just a reminder…the lost and found is calling to you! Please come and search for your child's outwear, socks, lunch boxes, etc., etc., etc.! In the office we keep small items that may get lost in the bigger piles, so if your child has lost something small but important, please ask us.

CALENDAR

May 17-21:	Kindergarten-No School during the assessment week
Wed., May 26:	Mr. Fuller Retirement Open House, 4:30-6:30
Monday, May 31:	NO SCHOOL – Memorial Day
Wed., June 2:	Field Day
Thursday, June 3:	LAST DAY OF SCHOOL, Dismissal at 1:15 p.m.

PTO Newsletter May 17, 2021

We are looking forward to these last few weeks of school and all of the fun activities we have planned! Tuesday, June 2nd will be Field Day. Because we were not able to do Art or Science night at the school this year, we have incorporated art and science activities into field day. It is going to be a lot of fun!! We are still looking for some parent volunteers to help. If you would like to help, please sign up here https://www.signupgenius.com/go/20f044aa4a92ea5f49-field3

Reminder

Our last PTO meeting for the year will be Tuesday, June 2nd.
At 8am via zoom. Everyone is welcome to attend.

Upcoming Dates

June 2- PTO Meeting
June 2- Field Day

Thank you to everyone for helping to make this year successful. We appreciate all that you do!
