NEWSLETTER March 8, 2010

Wow! The second trimester is finished and spring is just around the corner, so it's time to look back on our students' progress this term as well as planning for a rigorous and inspiring 3rd trimester.

We strive for 100% attendance at parent teacher conferences (PTC) and trust you have all scheduled a time to discuss your student's progress with one of our outstanding teachers. If you did not have a chance to sign up, please email your student's teacher to schedule.

PTC are this week and are by appointment: Wednesday, March 10th (1:40-7:20) and
Thursday, the 11th (3:40-7:20)

We look forward to seeing you!
Leslie Evans

Some Sweet Facts About Pears

We all know that pears are sweet and juicy, but did you also know that there are over 3,000 different varieties of pears around the world. It would take more than 8 years to try them all! They make the "pear-fect" after school snack because they don't contain cholesterol, sodium or saturated fat. They help active bodies to grow strong by replenishing precious potassium and Vitamin C.
