

## **CRA Newsletter, 1-6-2020**

Hello Everyone,

I hope you and your family had a fantastic break.

During the full two weeks of Winter Break we completed a couple of small cleaning projects at school, and today the teachers are rested and ready to jump back into the education of your students.

With all the problems in the world, we should be very grateful for the place we live and the wonderful school community we have.

I am very grateful for these things.

Happy New Year.

Kent Fuller, Principal

### **Shakespeare rehearsals start Tuesday, Jan 7! Right after school!**

**ALL** cast members need to come to this rehearsal so they can get a rehearsal calendar and a script and other information.

Parents please look for the calendar and go over it with your student.

Again, if there are conflicts, please communicate them so we can work the scenes around.

### **Parent meeting:**

Please come to the parent meeting on Tuesday, Jan 14th, right after rehearsal at 4:30. It will be less than 30 minutes. Please be prepared to volunteer your help in some way: assigning and fitting costumes, helping the stage crew practice, helping the kids learn a song or a dance, and so on. None of these tasks are overly time consuming! We have many small but important ways to contribute, and they all work together to make an outstanding production. Thank you!

### **Lunch Info**

The January lunch menu will be available later in the week. The first week of January lunches are on the December lunch calendar that was sent home & is also available on the website.

## **6<sup>th</sup> Grade Teton Science School Field Trip**

Parents, please join us for a meeting about our April trip to the Teton Science School. The 30 minute meeting will be Thursday, January 16th at 6:30 PM in the library. Please bring your questions, but leave students at home :) See you there!

### **Class Size Info**

Parents, as you send things to school for your child's class such as snacks, party planning or anything else, please check with the teacher about the number of students enrolled in the class. We've found that some parents are relying strictly on the AtoZ App for that information, and not all parents have chosen to include their child's name and information on the App so the full class is not listed. Most 1<sup>st</sup>-5<sup>th</sup> grade classes have 26 in each class, less in Kindergarten and 6<sup>th</sup> grade classes, so please check with the teacher.

### **CALENDAR**

Friday, January 24: Preschool Registration, Room 3, 8:15 a.m.
