Principal's Message:

Hello Everyone,

I hope Fall Break was good for everyone. Our teachers enjoyed the break and are ready to jump back into their teaching duties.

This coming Thursday and Friday twelve of our teachers are attending a National Science Teachers Conference to learn about the new science standards and new methodologies for teaching science. The new standards will be in place for the 2020-2021 school year and our teachers will be ready to implement the new curriculum.
