

## **CRA & PTO Newsletter, 2-24-2020**

Hello Everyone,

This coming Friday afternoon there will be an event for teachers to go to the Utah State Legislature to show support for expanded education funding. Our first through sixth-grade teachers will be attending this event (Kg teachers are staying as they have a practice scheduled for their walking report card).

Teachers will leave school between noon and 12:30 depending on grade level. We will have our aides and a couple of subs cover your child's classroom for the last part of the day.

Our teachers are passionate and care about your children. This is one way they hope to improve education for all students in the state.

### **STAKEHOLDER SURVEY - EXTENDED until Noon on Tuesday**

Calling all procrastinators! Tomorrow at Noon the survey will officially be closed. If we haven't heard from you yet we really would love to receive your feedback. It's important to us and important for teachers. This survey helps guide future decisions and validates what we think we already know. Your input is valuable. We have found this survey as a useful tool to gain insights about school climate, safety issues, teacher communication and to learn more about your thoughts and opinions on how we can improve. Our overall survey participation numbers are less than past years, and in order to ensure reliability and standardization year over year we want to hear from a few more respondents - **(parents who have not previously taken the survey in the last 3 weeks)**. Please take 3-5 minutes right now and help us get this done. The survey link is [https://uepc.live/CRA\\_Parent](https://uepc.live/CRA_Parent). Thank you!
