### **Covid News**

Last week I informed you of a positive Covid case at school. Since then the person we thought was positive got a second test that was negative. I have copied part of the letter from the S.L. County Health Department with reference to personal information removed.

“The Salt Lake County Health Department has deemed the recent positive result from a Covid Antigen test to be a false positive. As the positive test was followed by a negative PCR test, and it is believed that this person did not have an exposure as defined by the CDC to a Covid positive patient, This person is cleared to return to school, and resume normal activities.”

### **Class Photos and Picture Retakes**

Photos taken on the Retake Day last month should be coming home with your student this week. If you ordered a class composite of your child's class on one of the school picture days, those should be sent home later this month.

Thanks to all those that submitted Perspectives entries. We're excited to see your creativity!

Virtual Gallery Stroll on Thursday, February 25. More details to come!

We are still in need of a Field Day chairperson. It's a great way to give back and the students love it! Please send an email to [lynsimarshall@gmail.com](mailto:lynsimarshall@gmail.com) to volunteer.
