### **Board of Trustees Message**

Last October, Mr. Fuller announced that he would be retiring at the conclusion of this school year. This announcement set into motion a process to search for a new principal to lead Canyon Rim Academy. This search process began with a stakeholder survey last fall followed by the collection of applications and resumes beginning in November, and then screening and interviewing candidates beginning in January. In addition to the Board of Trustees, our hiring process included three separate committees made up of education experts, teachers, administrators, and parents. As a result of this thorough process we believe we have found an outstanding leader for Canyon Rim Academy and are excited to announce Mr. Scott Mastroianni as the next principal for Canyon Rim Academy. Included as an attachment is an introduction to Mr. Mastroianni and we look forward to an in-person community introduction as we approach the new school year. We are grateful to all who participated in this process but especially to Mr. Fuller, for his support of the search process and for his continued efforts to work with Mr. Mastroianni to create a smooth transition for our school community.

### **Stakeholder Survey**

You should have received an email on Feb. 26 about a school/stakeholder survey. In order to make sure that the survey results are viable, your participation is needed and appreciated. This survey is a great way to make your voice heard, whether you have concerns or compliments.

Please take the survey one time for each of your child/children's teachers, but only one time per teacher per family. Parents that have multiple children at the school can select as many teachers as you would like to review for *all* of your children, ie: specialty class teachers, music, computer, etc. If you experience difficulties while taking the survey, please report them to us as soon as possible. Please complete the survey by 11:59 p.m. on March 21, 2021. Thank you!

### **Student Report Cards**

Thanks to all those that participated in our Parent/Teacher Conferences last week. Even with the internet outage on the first night of conferences, most found a way to make it work, so we thank you! Report cards should be coming home with your student/s today.

### **Class Pictures**

With school pictures being taken later in the school year, class pictures have been delayed. If you ordered a class picture for your child, they should be delivered in the next two weeks. As soon as they arrive, we will send them home with your child.

### **Lost and Found**

If your student hasn't come home from school with their coat, hat, gloves, etc., those items may be sitting in our lost and found. Please come over and check the lost and found...the many items we have need to find their way back to their owners. 😊
