### **Aide Positions Available**

CRA has a few teacher aide positions open for the 2021-2022 school year. If you would like more information (job description) please check the school web site under the Get Involved Tab then Employment. You are also welcome to call the office or to talk with one of the office staff in person.

### **Class Placement for the 2021-2022 School Year**

The process for class placements for next year begins with each teacher looking at the characteristics of their current class. In grade-level meetings, the teachers balance next year's classes by factoring in and considering several areas: academic ability, gender, personalities, social-emotional ability, and also encouraging positive relationships.

The next step is that each grade level meets with administration and support services to review the classes. This process has been very successful.

*I know that most parents trust this year's teacher to make thoughtful placement decisions. However, I will accept parent input into your child's placement as long as you don't ask for a specific teacher, or the request is so defined as to essentially request one teacher. If you choose to give me input it should be discussing the learning environment or other characteristics that are best for your child.*

You may send me an email, call me on the phone or talk to me in person with your input. The deadline for placement input is Friday, April 23<sup>rd</sup> at 3:30 pm.

*Kent Fuller, Principal*

### **Falcon Legacy Award**

At the end of the Perspectives Art Contest, the staff at CRA voted on the Art entries for the annual Falcon Legacy Award. That award goes to....Andrew Cundick in 4<sup>th</sup> Grade. Congratulations Andrew! His artwork will be framed and hung in the hall at CRA. You can see Andrew's picture with Mr. Fuller in the attachment.

## **PTO Newsletter April 19, 2021**

Thank you to everyone who participated in our Read-a-thon! We made \$7,287.75! This money will be used for the arts department (music and art classes) and our school library. We appreciate all of the donations and we are so proud of all of our students for the time they spent reading!

### **Yearbooks**

This year as we did last year, we are incorporating student answers to prompts we have put together for the yearbook. This really helped document the unusual time we all experienced. We'd love to have your child participate, but it is not necessary. We have asked some of our teachers if they could help facilitate this as well, but some may not get to it.

If your child has taken the time to do this at school, no need to do it at home.

**If your child is in Kindergarten, 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> grade especially, please see if you can help them do this if they'd like.**
