Principal's Message

Entering the last full week of the school year I reflect on a very unusual year. Starting the year with 90% of students online, transitioning to the hybrid model, and finally, to our current 4 days per week schedule, I am pleased with where we are now. It has not been easy for all of us.

I want to thank the students, parents, staff, and our board for making the best out of a situation with so many unknowns and so many different opinions and emotions. While we are not done with the pandemic, it is my observation that most of us are pleased with how the year is finishing up.

A reminder that we plan on going back to the 5 days per week attendance schedule for the 2021-2022 school year.

Kent Fuller, Principal

Retirement Open House this Week

Join us this week on Wednesday, May 26, 4:30-6:30 p.m. to wish Mr. Fuller a Happy Retirement. Though we are sad to see him go, come and help us wish him the best! The Open House will be held on the front lawn at CRA.

CHROMEBOOK RETURN

If you borrowed a school Chromebook, it's time to turn them in. We'll accept Chromebooks at the office during the school day, except during our busy lunch hour from 11:30-12:30. Charging cords must also be returned at the same time.

****We request that an adult return the Chromebook.** Please attach a note explaining any issues or damage and/or if it is working correctly. We will also evaluate the condition of the machine. If the screen is cracked or damage has occurred and you did not pay for insurance, a damage fee will be charged. **All Chromebooks must be returned by Wednesday, June 2.**

SCHOOL LUNCH!

Watch for lunch money balance notices this week. All lunches must be prepaid for the last week of school. Again, if you have any questions please contact the office.

Band and Orchestra "Performances"

Though the Band and Orchestra students are not performing in person at the end of this year, the Band & Orchestra teachers have recorded their students "performing" in class. The orchestra recordings have been posted on the website, and the band recordings should be there by the end of the week. To watch them, go to the Quicklinks section of the website under "Class Websites" and you can find them under the grade level class links. The students have made great progress this year in spite of the challenges, so we hope you enjoy their "performances".

****Next week, June 1 - 3 will all be non-uniform days.**

Modest and appropriate clothing is still required on non-uniform days.

As the year winds up, parents ask if we will take the uniforms their students' have grown out of. We cannot accept uniform clothing donations at the school, but recommend that you donate them to Savers or another donation center.
