

CRA Newsletter, 5/4/2020

Hello Everyone,

I am sure you know that the governor has lowered the risk level for opening up the state from "High Risk" to "Moderate Risk". Schools will not reopen until we reach the "Low Risk" level. Even then there will be social distancing and other issues that we will be working out to keep everyone safe at school. I have attached the current health guidelines.

I have also attached a video link to a message from Governor Herbert and a video message from the teaching staff. A huge thanks to Mrs. Lowry and Ms. Paulsen for putting this together!

The week of May 26th will be a time for parents or their child(ren) to pick up personal items that were left at school and their yearbook.

Pick up will be in the auditorium. Lunchroom tables will have the teachers' names posted on the wall at the end of the tables. Teachers will have student's personal items in bags labeled with your child's name on the bag for you to pick up. Yearbooks will also be placed on the same table for pickup.

Please enter through the outside auditorium doors as the building will still be closed.

In order to maintain social distancing we encourage you to pick up personal items for your child(ren) based upon on this daily schedule:

Pick up times will be between 7:30 am - 4:00 pm.

- Tuesday, May 26th is for families with last names starting with the letters **A - F**
- Wednesday the 27th is for families with last names from **G - L**
- Thursday the 28th is for families with last names from **M - R**
- Friday the 29th is for families with last names from **S - Z**

If you were not able to return library books prior to this time, you may do so at this time. I will send a reminder of this schedule in a future email.

I hope you are all being safe and staying healthy

Kent Fuller
