

## **CRA Newsletter, 8-30-2021**

Greetings Falcons!

Thank you parents, for being so involved in your child's education. It definitely shows and explains why your kiddos are doing so amazing. I have enjoyed getting to know them.

As we get into the school year, we want to continue to keep your children in school and safe. Given that our students are not eligible for a vaccine, the safest way to do so is to send them with a mask. We continue to strongly encourage all students to wear a mask at school. If there are positive cases at school, you may receive a notification letter stating that there was a positive case at school. If your child was not deemed a close contact, it is recommended that you monitor your child for symptoms and continue to take safety precautions. If you are a close contact you will receive a letter stating that you can either quarantine at home for 10 days, or you may come to school, however a mask will be required indoors and outdoors for 10 days, provided your child is not having any CoVid related symptoms. For more information, including testing sites, please visit <https://coronavirus.utah.gov/education>.

We also appreciate your support of the Canyon Rim Academy Dress Code. The policy can be found online [HERE](#) or on our school website. The biggest way to help is to remind kids that they can only wear their hats outdoors, and that hooded sweatshirts are not permitted.

Have a great week, and keep up the great work.

Go Falcons!!!! Caw-Caw :-)  
Mr. Mastroianni, Principal

In the past, you may have enjoyed having a school magnet with our yearly calendar. They were ordered a while back, but the company had a difficult time getting the supplies to make them. They will be handed out as soon as they come, one per family, the oldest child will bring one home. We will let you know when they arrive.
