Statewide Testing

I have had a few questions asking about the status of statewide testing this spring. The Utah State Board of Education will require statewide testing this school year. The test is called the RISE Assessment and in the past, it was called the SAGE Assessment.

CRA's testing window will be from April 19th to May 13th. Friday, May 14th will be used as a makeup test day if necessary.

I encourage you to make every effort to have your child(ren) at school for the test. Your teacher(s) will let you know the specific dates as we get closer to the testing window.

This assessment does not have an on-line option. For those students that are online we encourage you to come to school for the assessment. We will make accommodations to let the online students test in small groups and in a setting that is well ventilated, and away from other students. More details will follow as we get closer to the testing window.

Covid Case Count Update

Current number of active Covid cases = 0

-Kent Fuller, Principal

CRA Beach Day

This Thursday, January 28, our teachers are sponsoring a "Beach Day" for CRA students and staff. They're adding a bit of fun to this very interesting school year! Students may participate by wearing:

- A Hawaiian or bright colored shirt. (shirts must still be modest)
- Bright colored/fun socks
- Regular uniform pants or skirts should be worn as well as closed toed shoes. (no sandals please)
