

CRA Newsletter, 2/16/2021

We send our hearty congratulations to Erik Olson, former member and president of CRA's Board of Trustees who was recently nominated by Governor Spencer Cox to the Utah State Charter School Board. His appointment is pending Senate approval. Erik is an attorney at Marshall, Olson & Hull where he has specialized in trials and appeals for more than 20 years. Erik was highly instrumental in getting our school charter approved and negotiating the lease with GSD to acquire this school building. His 14 years of service speaks to his love for the Canyon Rim community and his commitment to the students attending Canyon Rim Academy.

2021 Stakeholder Survey

In the next few days we expect the CRA Stakeholder Survey will be ready to launch. This survey will allow every household an opportunity to provide feedback to help us know what we're doing right and the areas where we can improve. More information will be coming.

Reminders Pick Up/Drop Off:

We finally got our first big snowfall for this year! Here are a few reminders...

When days are snowy and the snow plows have come, it reduces the available roadway on both sides of the road due to the accumulation of plowed snow. We remind you of the well established guidelines for drop off and pick up. Many are tempted to save their children from walking in the snow, but they do so at the peril of risking other drivers who have to stop or try to maneuver around the parked vehicle. Please use the church parking lot solely as the means to drop off and pick up your child(ren). Do not park in front of the school or church to pick up your child, especially when snow is on the road. Safety is our priority. Thank you for your consideration.
