

# CRA'S SUMMER READING BINGO

5<sup>th</sup> and 6<sup>th</sup> grade version

Dear Fifth and Sixth Graders,

Your name here:

-----

I hope you have a super 'Semiquincentennial' summer! I hope you find plenty of kicking back time to get lost in a story. Reading in summer can be the ultimate of fun if you end up reading something so good that you don't want it to end. Remember, when you get older you don't always have the chance to laze about and read all summer. So do it now! Don't wait! See the back of this sheet for book rewards. Don't get sunburned!

Love, Mrs. Romney
