

Goal 1 Increase the number of students reading at grade level. a) For grades 3-6, our goal is to increase the RISE ELA score by 2 percentage points from the previous year b) For 1st through 3rd grade our goal is to increase the Reading on Grade Level - Early Literacy score on the state report card by 2 percentage points from the previous year.

Measurements

This is the measurement identified in the plan to determine if the goal was reached.

Measurements

- We will use the RISE Language Arts scores.
- We will use the Reading on Grade Level – Early Literacy score on the state report card.

RISE testing scores from 2022 to 2023 in the area of ELA remained the same at 66% in both years. There was no increase nor decrease in our 3-6th grade scores.

Regarding the Early Literacy scores on the state report card we scored "Average" with a 60% as compared to the state 62%.

Goal 2 Increase the number of students reaching proficiency in Math. Our goal is to increase the RISE Mathematics score by 2 percentage points from the previous year.

This is the measurement identified in the plan to determine if the goal was reached.

Measurements

- We will use the RISE Math scores.

According to Math RISE scores increased 65% to 69% for a total of 4 points from 2022 to 2023 in grades 3-6th. We exceeded this goal.

Teachers have worked to analyze math programs that we are using and upper grades have been completing a trial run of Eureka Squared with positive results.

In math on the School report card we scored "High" with a 75% as compared to the state 62% average.

Goal 3 Our previous goal was to stabilize our RISE Science scores. Our goal is to increase our RISE Science score by 1 percentage point from the previous year.

Measurements

This is the measurement identified in the plan to determine if the goal was reached.

Measurements

- We will use the RISE Science scores.

Rise According to Science RISE scores increased 72% to 76% for a total of 4 points from 2022 to 2023 in grades 4-6th. We exceeded this goal.

According to the state report card we scored in the "high" range with a school average of 71% as compared to the stated average of 62%.
