

KINDERGARTEN FOR 2023-2024

In the past we have half day Kindergarten classes, with an option for Kindergartners to attend a full day of Kindergarten in the Kindergarten Enrichment Program. Students have attended regular Kindergarten classes in the morning and a Kindergarten Enrichment class in the afternoon, for a fee. 2022-2023 is the last year for the Kindergarten Enrichment Program.

Beginning in 2023-2024, Canyon Rim Academy will begin having **two** options for Kindergarten classes.

1. CRA will offer two full day Kindergarten classes for no fee. Kindergarten students will attend in the morning and in the afternoon (full day of school), and eat lunch at school. We will have two classes of 20 students in each class, which means we can accommodate a total of 40 students for full day Kindergarten. School hours for full day Kindergarten are:
Monday-Thursday, 8:30-3:15 and
Friday, 8:30-1:15.
2. CRA will also offer two half-day Kindergarten classes. Students can attend an AM class or a PM class. There will be 20 students in the AM class and 20 students in the PM class. AM classes meet Monday-Thursday, 8:30-11:30 and Friday 8:30-10:30. PM classes meet Monday-Thursday, 12:15-3:15 and Friday 11:15-1:15.

As families enroll their Kindergarten students at CRA, they will have the option to choose the full day Program or the half day program.
