[1] Why are you sharing student information with this recipient?

[2] Which FERPA exception allows you to legally share student information with this recipient?

[3] Program, company, individual, organization, or education entity that receives or collects student personally identifiable information

[4] Our district or charter school shares student information with the recipient as a part of a federal requirement.

[5] Does the recipient receive or collect information from all students in the district or charter school, or just some? Which students, grades, subjects, schools, or programs?

[6] Our district or charter school shares student information with the recipient as a part of a federal requirement.

[7] Our district or charter school shares student information with the recipient as a part of a state requirement.

[8] The disclosure is of information the LEA has designated as "directory information" after providing parents with adequate notice and an opportunity to opt out, as described in 34 CFR 99.37.

[9] The disclosure is made to school officials who have a legitimate educational interest in the information or to a party that the school has outsourced services to that

* provides a service the school would otherwise use its own employees for
* is under the direct control of the school regarding the use and maintenance of education records
* does not redisclose student PII except as directed by the school and permitted by FERPA.

[10] The disclosure is of information the LEA has designated as "directory information" after providing parents with adequate notice and an opportunity to opt out, as described in 34 CFR 99.37.

[11] The disclosure is subject to a written agreement as described in 34 CFR 99.35 and made to authorized representatives of the LEA or USBE for the purpose of auditing or evaluating a federal or state education program.

[12] The disclosure is subject to a written agreement as described in 34 CFR 99.31(a)(6) and made to an organization conducting studies for or on the LEA's behalf to

(A) Develop, validate, or administer predictive tests;
(B) Administer student aid programs; or
(C) Improve instruction.

[13] The disclosure is to accrediting organizations to carry out their accrediting functions

[14] The disclosure is to the USDA, or authorized representative from the Food and Nutrition Service or contractors acting on behalf of the Food and Nutrition Service, for the purposes of conducting program monitoring, evaluations, and performance measurements of State and local educational and other agencies and institutions receiving funding or providing benefits of one or more programs authorized under the Richard B. Russell National School Lunch Act (42 U.S.C. 1751 et seq.) or the Child Nutrition Act of 1966 (42 U.S.C. 1771 et seq.).

[15] Exception may be used if the disclosure is related to alternative school-related interventions allowed by UCA 53G-8-211 and concerns the juvenile justice system's ability to effectively serve, prior to adjudication, the student whose records are released.

[16] The parent or eligible student shall provide a signed and data written consent before the PII is disclosed. The written consent must

* Specify the records that may be disclosed;
* State the purpose of the disclosure; and
* Identify the party or class of parties to whom the disclosure may be made.
