**#Perspectives:** Attention CRA artists, writers, composers, and creators! The **2018 Perspectives Contest** is coming up soon! Entries will be received **Friday, February 2nd!**

The theme for this year is, "**If I Could Change the World...**" If you could change anything in our world, what would you change? In what ways would it be different? How would you make the world a better place? Use your imagination, your know-how, and your heart. Interpret the theme any way you would like! Start thinking now and maybe you can start creating over the Holiday Break!

There will be awards, participation gifts, a gallery stroll, and one more exciting addition this year! For the first time ever, Canyon Rim Administration will choose a **Falcon Legacy Award**. This winner's piece of art will be purchased by the school to be displayed permanently in our halls. Over the years we hope to create a permanent art installation featuring original works by CRA students!

Remember, categories are: Visual Art, 3D Art, Photography, Literature, Music, Dance, and Film. Entry rules and details will be on CRA's website. Entry forms will go home after the break!
