5th Grade Parent Meeting

On Thursday evening this week, January 18th at 7:00 p.m., CRA will hold a meeting for parents of 5th Grade students regarding 6th grade at CRA next year. We wish to invite parents of all 5th grade students, but particularly those considering going to Junior High for 6th grade. We will discuss options and answer questions, and look forward to seeing you at the meeting!

After School Reminder...

Parents, if you have children that participate in after school activities such as play practice, Jump Team or any other after school activity, please do not leave their siblings, (younger or older) at the school to wait for their brother or sister to finish the activity. CRA does not provide after school supervision, and siblings should not be left waiting inside the building or outside on the school campus for their sibling. Please make arrangements for your child/children to be picked up directly after school ends. Thank you!

Lego Club

We are happy (and sorry) to report that the Lego Club is full and the option to register to attend is no longer available. If your child wanted to participate, then we encourage you to look forward to next years' Lego Club and sign up early.
