Halloween at CRA

Parents, don't forget to join us for the Halloween Parade this Wednesday, October 31 at 8:45 a.m.! Chairs will be set up in the Multipurpose Room for your viewing pleasure.

Remember that student costumes must be modest, no masks (faces may be painted), and no real or pretend weapons.

1st-6th grade students need to bring uniform clothing to change into before lunch.

COLD WEATHER COMING - LOST & FOUND

As colder weather is set to arrive shortly, we encourage students to bring warm outerwear. We would also encourage parents to mark the inside of the coats, jackets, sweaters, hats, gloves etc. with the child's name on an inside tag of the garment. If clothes are labeled when the lost item ends up in the Lost & Found, we can return them to the correct owner. Otherwise, things stay lost for a long time and eventually get donated to charity.

There have only been a few days of cooler weather, and already our Lost & Found is **overflowing** with coats and jackets that have been left on playground. If your child is missing any outerwear, check the Lost and Found as you visit the school for the Halloween Parade. It is located outside the Multipurpose Room.

School Pictures

School pictures will be taken on Friday this week, November 2nd.

- Students should wear their regular school uniform for pictures. Please have your student wear their collared uniform shirt for pictures, not their Friday spirit t-shirt.
- All students will have their picture taken so that they may be included in their own class composite picture.
- Students should be bringing home a flier from Bell Photography today that gives information about purchasing a picture packet.
- Parents may choose whether or not to purchase pictures.
