### PTO SCIENCE NIGHT TONIGHT! 6:00-8:00 PM

#### Picture Day

Last Friday was Picture Day. A few things to know about student pictures:

- If you wanted to purchase a picture packet and forgot to send your money on Friday, you may still purchase pictures, but do it today! The deadline is midnight tonight. You may pay online at [www.bellphoto.com](http://www.bellphoto.com) – the online code is [canyonrim2018](#).
- If your student was absent last Friday, your child's picture will be taken on re-take day so they may be included in the class composite. Picture packets may be purchased on re-take day.
- Picture re-take day is Thursday, December 6, 8:30-9:15 a.m.
- If you purchased a picture packet, those should be coming home before the Thanksgiving break.
- If you are not satisfied with the packet that comes home, you may return the packet on re-take day. The student may turn in the unwanted packet and have a new picture taken.
- Class composite pictures will be sent home sometime in January.

#### Parent Teacher Conferences
