### Picture Make-up/Re-take Day

Thursday, December 6<sup>th</sup> from 8:30-9:15 a.m. is the picture make-up/re-take day.

- If your child was absent & did not have their picture taken on the first picture day, they will have their picture taken even if they are not purchasing a packet so their picture can be included in their class composite picture. (Class composites will be ready sometime in January.)
- If you purchased a packet and were not satisfied with it, your child may have a re-take. To do so, they need to have their packet in hand and give it to the photographer in exchange for having a new picture taken.

A general announcement will be made for students to go to the library for the pictures. The photographer will be at CRA for less than an hour, so if you have a PM Kindergarten student who needs to have a picture or a re-take done, please bring them over before 9:15 a.m. Fliers were sent home today about the re-takes, so look in your child's backpack for additional information.

HOUR  
OF  
CODE

Hour of Code is a global movement by Computer Science Education Week and Code.org reaching tens of millions of students in 180+ countries through a one-hour introduction to computer science and computer programming. Our school will be participating in the Hour of Code this week, Dec. 3-9. Teachers will have their students do coding during the week, and parents are invited to have their child do it at home as well. Go to my

webpage: <http://protopage.com/cracomputerlab> or <https://hourofcode.com/us/learn> for places to find coding. If you have questions please contact Susan Garrett at [sgarrett@canyonrimacademy.org](mailto:sgarrett@canyonrimacademy.org).

**Bank Day REMINDER:**

Washington Federal will be at Canyon Rim Academy on Wednesday, December 5th for Save at School during the lunch hour.
