### Picture Make-up/Re-take Day Tomorrow

Tomorrow, December 5<sup>th</sup> from 8:30-9:30 am is the picture make-up/re-take day.

- If your child was absent did not have their picture taken on the first picture day, they will have their picture taken even if they are not purchasing a packet so their picture can be included in their class composite picture.
- If you purchased a packet and were not satisfied with it, your child may have a re-take. To do so, they need to have their packet in hand and give to photographer in exchange for having a new picture taken.

A general announcement will be made for students go to the library for the pictures. The photographer will only be at CRA for one hour, so if you have a PM Kindergarten student who needs to have a picture or a re-take done, please bring them over before 9:30 a.m. Fliers were sent home about the re-takes last week, so look in your child's backpack for additional information.

### Hour of Code – a message from Computer Teacher Susan Garrett

This week (Dec. 4-8) is the Hour of Code. This is a yearly event where students in all grades are encouraged to spend an hour or more coding (a form of computer programming on their level). We have been learning all about coding in computer lab, and if you can help them get to the computer lab website, your student will know just where to go for hour of code games. Students will be doing the hour of code during their computer lab time during this week, but are also encouraged to do some at home.

You can get to the hour of code websites at <https://hourofcode.com/us/learn>. The students know where to go if you can get them to the computer lab website by going to the school website [canyonrimacademy.org](http://canyonrimacademy.org), click on Class Websites, then click on Computer Class - Susan Garrett. You can also get there at <http://www.protopage.com/cracomputerlab>

If you have any questions or want more information you can email Susan Garrett at [sgarrett@canyonrimacademy.org](mailto:sgarrett@canyonrimacademy.org)
