Principal's Message

Hello Parents,

Next week we have parent teacher conferences on February 12th and 13th. I have had questions as to why they are being held prior to the end of the term on Feb. 28th.

This conference is to let parents know how students are doing prior to report cards. If your student is having difficulty with any part of school, this gives you and your student two weeks to make any corrective action prior to report cards. For students not having difficulty, this gives you a chance to see how they are doing in academics and other areas. It is also a good time to have a conversation with your child's teacher. We do have a great teaching staff and it is good to get to know their teaching style and get to know them.

I hope to see everyone next week and Happy Valentines next week!

Kent Fuller

Intent to Return

If you have not turned in an "Intent to Return" form for your family, please do so ASAP. They were due today. Planning for next year's enrollment, we need to know how many of our students are planning on returning to CRA next year.

Parent Teacher Conferences

If you have not signed up for a Parent Teacher Conference yet, please do so by Wednesday, February 6th. Go to our website homepage under "Current Events", and click on "Parent Teacher Conference Scheduler>>". If you have not signed up for a time by Feb. 6th, your child's teacher(s) will assign a time for you and notify you of your assigned appointment.

RISE Testing

In the Spring, 3rd-6th graders will take the state RISE testing. RISE is the acronym for Readiness, Improvement, Success, Empowerment. These tests are an important measurement to see if students are grasping the concepts being taught in the core curriculum. If you would like more information about RISE, there is a video presentation you may want to check out our website. You may find it under the "Our School" tab, then "Testing & Assessment".

School Survey

In the coming days, Canyon Rim Academy will be administering online school surveys. All parents or guardians are invited to participate. Only one survey may be submitted per household. Watch for another email from CRA this week with the survey link.

Bank Day

Washington Federal will be at Canyon Rim Academy on Wednesday, February 6th during the lunch hour for Save at School.

Open an account for \$5.00 and Washington Federal will deposit \$5.00. A penny saved is a penny earned.
