### **SPRING PICTURE DAY**

This Friday, April 12 is our Spring Picture Day. Fliers will be coming home today with your child. Spring pictures are different from the pictures we take in the fall. The background the photographer uses is more casual than the fall background, students may wear something of their choosing (**Friday will be a non-uniform day**) and parents have the option whether or not to have their child's picture taken (by sending back the flier if you desire not to have it taken). Please don't send any money on picture day, as pictures will be printed, sent home later and parents may choose whether or not to purchase their child's packet. Watch for the flier for more detailed information.

### **Teton Science School**

Our 6<sup>th</sup> graders left this morning for their Teton Science School adventure. Everyone was very excited, and students have already arrived at their destination safely. We know they will have a wonderful time!

### **Library News**

READING CREW BOOKMARKS....

Our last Principal lunch for Reading Bookmarks will be on [Friday, April 19th](#).

Finish up your bookmark reading and turn it in

to Miss Alyson in the Library before April 17th to enjoy lunch with the principal.

HAPPY READING!

### **Kindergarten Music Informances**

On Friday this week April 12<sup>th</sup>, the Kindergarten classes will have their Informance with our BTS/Core Knowledge teacher, Miss Susan. We invite and encourage parents to attend with their child and see what they have been learning in their music class this year. Meet your child in the Music Room, room 1 (across from the Kindergarten classes) at the assigned time:

Miss Shapiro's AM class:	8:35-9:15
Mrs. Hedin's AM class:	9:55-10:30
Miss Shapiro's PM class:	11:20-12:00
Mrs. Hedin's PM class:	12:40-1:15

### **Kindergarten Assessments**

Each May our Kindergarten students participate in a state required Kindergarten Assessment, administered by their Kindergarten teacher. Appointments are 30 minutes long, and it takes several days for teachers to administer the assessment to every child as they meet with each child separately. To accommodate this assessment, Kindergarten and Kindergarten Enrichment classes will not be held May 13-17. Information on signing up for an assessment time will be sent to Kindergarten parents at the end of April, so watch for that email containing the link and instructions on how to sign up for an appointment time for your Kindergarten child.

### **Calendar Items**

School is a busy place, with lots of extra activities for school as a whole, for grade levels and sometimes individual classes. Because some calendar items only apply to one grade or class, not all calendar items are listed on the master Excel calendar that is handed out at the beginning of the year, and posted on the website under the yearly calendar. That calendar is for basic date information for the year. But...on our website there is another calendar parents can refer to for PTO activities, field trips, etc. Under the Calendar section of the website, you may look under "Full Calendar" or click on the calendar icon. You'll find a Google Calendar for the entire year full of activities, field trips, schedule changes, etc. Things are added to this calendar throughout

the year as they are scheduled. We hope this will help parents anticipate future activities that their child may be involved in.
