

CRA Newsletter, 5-14-2018

Canyon Rim Families,

There are many activities and events during the last weeks of school. SAGE testing ends this week then we have field trips, events and performances that you can see in other newsletter articles or on the school website.

This is a great time to have conversations with your child about what they did at school on any day for the next 13 days of school.

There will be some staffing changes for next year. I will give you an update on the changes in next week's newsletter as changes are finalized.

As the year winds down, there are concerns about student safety. On 2900 East in front of the school, our crossing guard has reported an increase in traffic - parents are dropping off and picking up students in this area, parking in the crosswalk and generally causing congestion and unsafe conditions for our students. Last week there was a close call with a student almost getting hit. Please do not use the front of the school or the teacher parking lot in the front to drop off or pick up your student/s. We are fortunate to be able to use the church parking lot just south of the school where we have an organized system as students arrive and leave the school. Please follow the procedures – the document showing how this works is attached. During these last few busy weeks of school, please help us keep all students safe.

--

Kent Fuller, Principal

Spring Pictures

Just a reminder...money for Spring Pictures picture packets are due. Whether you chose to purchase a portion of the pictures, the entire packet or none at all, they need to be turned in ASAP.

Lunch Accounts

We can't believe that it's May and the last month of school! If your student eats hot lunch, please make sure that you know how much money is left in your student's lunch account and pay ahead of time so that they have enough in their account to cover the lunches they want to eat. You can check on your child's lunch balance if you've set up an account in Aspire, or the Instant Payment System, both available in the Quicklinks section on our website, or you may contact dstevens@canyonrimacademy.org.

Bank Day

Washington Federal will be at Canyon Rim Academy on Wednesday, May 16th for Save at School during the lunch hour.
