### **Medication at School**

Public schools are required to follow state guidelines regarding student meds taken during school. If your child needs to take prescription or over the counter medication at school, please follow these requirements:

- Parents need to fill out a medication release/permission form in the school office.
- Students are not allowed to hand carry medications to or from school – meds should be delivered to the office by an adult.
- Medications will remain in the school office and will be dispensed by school personnel.
- Students with asthma may keep inhalers in their backpacks during the school day or in the office, but a medical release form is still required if they keep it in a backpack.
- Office personnel keep a record of when medications are administered at school.

### **LAST CALL - Student Directory Info**

We have re-opened the online form to collect additional information for the Student Directory. Please go to this link: <https://www.cognitofrms.com/CanyonRimAcademyPTO/CanyonRimAcademyPTODirectory> to fill out a simple form which allows you to select the information you would like printed in the directory.

***If you do not complete the online form, contact information for your student will not be listed in the directory.***

The deadline to completed the form is **Friday, September 21st.**

Thank you!
