Message from the Principal...

CRA Land Trust Council

The Land Trust Council has a couple of openings based on a two year, rotating term. This council looks at the academic needs of the school then allocates specific money from the state to help make improvement. The committee will meet once in the fall, then 2-3 times in the winter. Meetings have been after school on a day that the committee decides.

Elections will take place if there are more than two candidates and will take place in late September. If you are interested in applying, you can download the attached **Candidate Form** or pick up a copy from the school main office. Deadline for the applications is Wednesday, September 12th at 3:30 PM.

Chess Club

The school is exploring the idea of a chess club. The club would be open to all students with a 25 student maximum. They would meet Tuesday mornings about 8:00 starting in October and ending about March. One of our parents would serve as a coach and give instruction into the game. This parent has served as a chess coach at a couple of other schools in the past.

If your child is interested in participating please email me at: kfuller@canyonrimacademy.org You are also welcome to talk to me in person or on the phone. **Please let me know by September 13th.**

We would also need another parent to help monitor the students. Both parents will need a background check. If you are willing to help this club please let me know in the same email or discussion.

Thanks!

Kent Fuller
