### **Air Quality**

During the cold winter weather, the air quality in our valley changes from day to day. To help protect students with asthma or other breathing issues, we check the air quality conditions daily to see if they are safe for students to go outside. So far this year, the Particulate Matter levels that are measured by the Utah Division of Air Quality have not risen to a dangerous level. We will continue to check these levels and students at risk will be allowed to stay in from recess on those bad air days.

### **Schedule for this week...**

Just a reminder about our schedule for this week and next.

Thursday, January 12: Early Dismissal at 1:15 p.m.

Friday, January 13: NO SCHOOL for students, Teacher Training Day

Monday, January 16: NO SCHOOL, MLK Day Holiday

### **CANYON PREP ACADEMY PRESCHOOL**

If you have a 4 year old next fall and would like a fabulous preschool for him/her to attend, Canyon Prep Preschool is having a Registration Open House on Friday, January 27, 2017 in Room 3 at Canyon Rim Academy. Registration begins at 8:15 a.m. and will end at 10:00 a.m. (Acceptance into the preschool program is on a first come, first served basis, and is not a part of the regular CRA lottery process.) There is a registration fee of \$35.00. CPA Preschool is a 4 day preschool program that meets Monday-Thursday, 8:30-11:15 a.m. Tuition is \$225.00 per month.

### **Intent to Return**

This week we will be sending home "Intent to Return" forms with your student. This form is your declaration whether or not your child will be returning to CRA for the 2017-2018 school year, and it is very important that we receive one for every child. It also gives you the opportunity to inform us if you have other children that would like to attend CRA next year. Be watching for it, and please return it to CRA by January 18<sup>th</sup>.

### **Drop Off/Pick Up Concerns**

A parent reported to us a situation that took place in the church parking lot during drop off/pick up recently. A car was left running with two small children inside the car while the driver of the car ran into the school. Please don't leave your car engine on even if you're running in for a short period of time, especially with children in the car. We are concerned for all our students safety, and if little hands had taken the car out of gear there could have been severe injuries to other children walking in the parking lot. We would also request that children are not left alone in a car for any reason. When it comes to the safety of our children, it must be a primary concern and responsibility for all of us.

### **Bank Day**

Last week Washington Federal was scheduled to come to CRA for bank day. Unfortunately they were short-handed and didn't have an employee to send to us. They will be at CRA again on Wednesday, January 18<sup>th</sup>, and should be here every other week.
