Safety Concerns at Drop Off & Pick Up

Staff out on duty and observant parents have reported concerns recently about problems that are occurring during student drop off and pick up. Some parents are not following the procedures we have in place to assure student safety. Cars are pulling up in areas designated as student walking zones, other cars are not waiting their turn in line, circumventing the order of those waiting and risking the safety of our students.

CRA is very concerned about child safety. In the holiday rush every December, we have safety problems that arise. Please remember in your hurry that our children's safety is much more important than saving a few minutes for our convenience. Procedures for our drop off and pick up have been put in place to keep to keep our children safe, so please remember to abide by those rules. As a friendly reminder, a map of our Drop Off & Pick Up Procedures is attached. Thank you.
