Every year after the weather turns cold, our Lost & Found becomes overflowing with coats, jackets and cold weather apparel. We welcome parents to come in and check the Lost & Found if your child is missing their essential outerwear. Items that are not claimed by the end of December (Winter Break) will be donated to charity.

Audition papers and other info will be given out.

Auditions will be after school on FRIDAY, DEC 16th.

REHEARSALS begin on Tuesday, Jan 3.

PERFORMANCES will be on March 15 & 16.

[If you are participating in the ski program, you will need to audition on Thursday, Dec 15th or before. Please contact Leisha Black for a time to audition: lblack@canyonrimacademy.org]

This week is the Hour of Code! All students around the world are encouraged to do coding for an hour or more at school or at home during this week. Please encourage your student(s) to try doing some at home. They will be doing some at school during their computer lab time as well.

Students can go to <https://code.org/learn> to do coding, or there are a lot more Hour of Code games on Mrs. Garrett's computer lab website. Simply go to the school website canyonrimacademy.org and click on Class Websites, and click Computer Lab - Susan Garrett.

Good luck and happy coding!! If you have questions or need help, contact computer lab teacher Susan Garrett at sgarrett@canyonrimacademy.org

Lunch Money

Last week the internet was down on Monday, and until Wednesday morning there were problems accessing our website and the Aspire program where our lunch accounting is recorded. This caused a delay for Mrs. Stevens sending notifications to parents about their students' lunch money status. Due to the accounting delays, please check your child's lunch balance online and watch for notes that may come home today to see if your child owes lunch money. We apologize for the inconvenience.
