Parent Survey

Please remember to take the online school survey. We are extending **the deadline** for the **survey** to this **Friday, April 21st**. We would love feedback from all of our CRA families - your responses are valuable to us. Results will be given to teachers, administrators and our Board of Trustees as a base for school and classroom improvements. As you take the survey, please include a response for each of your child/childrens' teachers. The specialty class teachers and special ed teacher may also be evaluated.

You can access the survey by following the link:

Earthquake Drill

Today all students participated in an Earthquake Drill in conjunction with Earthquake Preparedness month. CRA follows the Red Cross Earthquake Safety Guidelines - students were talked through the drill, instructing them to Drop, Cover and Hold. Ask your student what they learned about earthquake safety and let them show the family what to do in the event of an earthquake.
