Parents – thank you for participating in our school survey! The survey is now closed.

Students Should Dress for Rain All This Week

Parents, the weather forecast is for rain all week long. Students concentrate better in school when they can spend some time outside each day, so we will be having outdoor recess unless there is a downpour of rain. Please make sure your students come with outerwear for rainy conditions.

Library News

We are coming into our last 2 weeks of checking out library books. Thanks for helping your student remember their library day.

Parent Participation Music Classes

Don't forget...this is the week of parent participation in our student music classes with Miss Marilee. Today the 5th grade classes had their music performances, but the remaining week's schedule is:

Tuesday, April 25th
