Good Morning CRA Family,

I hope that everyone had a fantastic, long weekend together. We are gearing up for some of our most exciting times at CRA. Thank you to all of you who have already volunteered for Perspectives, Science Night, & Maturation; your time is so appreciated and I am so grateful to each of you.

Perspectives entries are due Friday, February 3, before school. We are hoping to get more entries this year in the categories of literature, music, and dance. There is a link on the school homepage, www.canyonrimacademy.org to the instructions and extra entry forms. Please fill out an entry form for each entry that your student(s) are submitting. We need more volunteers to help with the following for Perspectives: Taking entries the morning of Feb. 3; Setting up entries for judging Feb. 9; & setting up for the Gallery Stroll Mar. 2; here is the link for that: [Perspectives Volunteers](#)

Our Perspectives Co-Chairs, Catherine Arveseth & Andrea Mathis (with help from Michelle Booth & Mrs. Lowry) have also produced an incredible video to help get everyone excited about Perspectives. Here is the YouTube link: <https://youtu.be/8KBPmfE8Tnc>

Science Night is Friday, February 3 from 6-8 p.m. at CRA. We would love to have 9 more volunteers for that evening, to help run demonstrations. There will be cow eyeball dissection; Oobleck walking; Stargazing; Glider building; and so much more. If you can volunteer, please sign up today. Here is the link: [Science Night Volunteers](#)

Maturation is coming up for 5th & 6th grade students. It will be Thursday, February 2 during the afternoon at school. Permission slips will be coming home in the next week or so and need to be filled out in order for your student to attend. We would love to have 2-3 more volunteers to help with things like making hygiene kits and setting up for the day. We have two new speakers this year who we are all really looking forward to.
