

PTO NEWSLETTER, 1-3-2017

Good morning CRA family! I hope that everyone had an awesome break and is ready to get back to school.

We had a PTO Board meeting in December and we decided that we are **not** going to have a Spring fundraiser because we have already hit our fundraising goals for the year. Thank you so much for everyone who has contributed so generously to the PTO through Direct Donations & the Carnival. We also want to thank everyone who has contributed to the Playground fund; every dollar helps us get closer to being able to have a new playground!

We will be having our monthly PTO meeting this Friday at 8:30 in the library. Everyone is invited to attend!

Perspectives is in full swing & this year's theme is: Remember When. Details about entries will be coming home with your students this week. This is such an incredible opportunity for our students to demonstrate their artistic talents. Entries are [due Friday, February 3.](#)

Science Night is one month away! We still need more volunteers to help run stations. Please use this link: <http://www.signupgenius.com/go/20f054ea8a929a0fe3-science> and sign up today! This is one of the BEST nights at CRA; it is so much fun and everyone learns so much about science.

We would like to have a Spring service project [on Saturday, April 8th](#), at Canyon Rim Academy. There are several areas that are in need of sprucing and cleaning that are in need of our help. As the date gets closer, we will have more detailed information, but please put [April 8th](#) on your calendar and plan to attend.
