Happy Pi Day friends! I hope that everyone is having a great week!

A Midsummer Night's Dream will be performed at CRA [at 7 p.m. on Wednesday & Thursday this week](#). Come see our talented students & enjoy a night with the Bard.

We are looking for some volunteers to help us with our annual **Art Night on April 21st**. We are focusing on Utah Arts and Artists. We already have an awesome list compiled with some fun activities. This does not take any special talents except an excitement to learn about art and share it with our students. We really could use some parents to help lead the different activities. Please join on sign up genius [Art Night Help](#) or just email Amanda Moore at aelvisj@mac.com. We think this is going to be a really special night and having excited parents to help really makes a huge difference.

Mark your calendar for **[Saturday, April 8th](#) for our CRA Day of Service**. This is a chance to give back to the school that we love so much. We will be leveling the upper field & if we have enough volunteers, cleaning up the Naturescape. We will be working [from 9:00 a.m. to noon](#); please feel free to drop by as your schedule allows, whether that's for one hour or the whole time. Bring your water bottles and gloves and be ready to work. All ages are welcome to come and participate and we encourage you to invite your friends and neighbors to come lend a hand. Here is a signup, [Day of Service Signup](#), just so we have an idea of how many are coming to help. We're so excited about this and hope that everyone can join us.
