Talent Show

The Talent Show is right around the corner! These participants have worked so hard to be able to share their talents with us! Showtime is this coming Monday, January 28th at 1:30 pm. If your child is performing, you are welcome to join us for the program. A few chairs will be set up at the back of the auditorium for those few parents and the rest of the room will be full of students watching the performance.

Maturation Program

Several parents have been asking about the Maturation Program. We scheduled it later in the spring this year. It is scheduled for **April 4th.** and will be held during school hours toward the end of the day. All parents of 5th and 6th grade students are invited to attend with their child. More info to come in the coming months.

Perspectives!

We hope all your children are getting excited about Perspectives and are working on their entries.
As a reminder, all entries will be collected the morning of **Feb. 1st.**
Please do not turn them in before that day.

As a reminder, will be accepting entries in each of the following categories:

Visual Arts
3D Art
Literature
Photography
Music
Dance
Film

All entries require an application and need to include their application when they are turned in.
We will showcase all the art after it has been judged in our
Gallery Stroll which will be held the evening of **Feb. 28th.**
This is where we will announce this year's Falcon Legacy Award.

We would love if you would help encourage your children to participate. Perspectives is a great opportunity to step outside their comfort zones, to stretch, and GROW! We look forward to seeing what all our students have to share!
