

## **PTO NEWSLETTER, 12-1-2017**

Dear Parents,

We cannot believe how fast this year is flying by as we are already in the first week of December. We hope that you will have a the holiday spirit and create wonderful memories with your sweet children. We love being a part of the PTO and seeing the excitement in their eyes as we interact with your children.

### **Amazon Purchases**

Last week we sent home removable stickers that you can put on your computers to remind you to go to CRA's website and click on the Amazon button before you buy. It just redirects you to Amazon's website and allows CRA to get 5-8% back to benefit our school! It is super easy to do and requires nothing different in your shopping process other than to go to **CRA FIRST AND CLICK ON THE AMAZON BUTTON ON THE HOME PAGE!!**

### **CRA'S Family Dinner for December**

For December our family dinner night out will be at California Pizza Kitchen. Mark December 12 on your Calendars with more information to come!

### **Thank You!!!**

We also wanted to say a big THANK YOU to Anne Tuckett for her work on the 5k! With the proceeds of the 5k we were able to get new soccer goals for the school and donate \$500 for the Special Education department to get supplies they need.

Thank you to all of you for your generosity in helping this happen. The kids are LOVING having soccer goals again!!

There is lots going on this month and we hope that you will be able to come support your children in orchestra, band, and music performances. Please check the calendars and make sure you have the correct dates so you don't miss them!

Michelle and Jill
