Dear Parents-

We had a really fun Olympics themed assembly today with all your kids. It kicked off several Olympic activities that will occur at the school in the next couple weeks. Be sure and ask your kids about all the fun activities planned.

OLYMPICS SERVICE PROJECT-

As a PTO we wanted to have a way to give back. The Olympics this year has an initiative called "Become the Light". There are thousands of people living in refugee camps right now that don't have access to any light. This makes it difficult to continue to work, play and have activities go on after the sun goes down each day. The Olympics is working hard to earn money towards purchasing solar panels to help these communities. We want to change the world by bringing in our own "METALS" (coins) to donate to this good cause. We have a 5 gallon jar outside of the office that we hope your kids will bring change in to it fill up – pennies, nickels, dimes and quarters. If the kids get it half full, they will all receive a small prize. If they get it all the way full, Mr. Fuller will sleep in a tent on the roof of the school with no light. We hope you will support this great cause and send in coins, or money with your kids. Every penny counts. This will be going on during the next two weeks while the Olympics is happening.

Thanks so much!

SCIENCE NIGHT-

Tonight is the night we have been waiting for! Please join us for a night of fun hands on experiments and activities all based around science.

DNA extraction and modeling

Projectiles and the transfer of energy

Friction

Slime

Ice Cream

The Science of Fire

Come enjoy this great night with your families!

A special thanks to all who have volunteered to help out tonight and to those who have headed up this amazing night of fun!

DINNER OUT- Chick-Fil-A in Sugarhouse

Please join us for another meal night on Tuesday, February 27th, 5:00-8:00 p.m. at Chick-Fil-A in Sugarhouse. They will donate a portion of the proceeds to Canyon Rim Academy if you tell them you're with CRA!

Thanks again for all your support for our awesome school!
