### **Teacher Appreciation Week**

Teacher Appreciation Week is next week **March 4th - 8<sup>th</sup>**! Watch for fliers coming home next week about the events.

Also please check with your room parents to see if you could come help on **Friday, March 8** during the lunch hour. We are gathering classroom volunteers to take the classes during their lunch time to give teachers some "me time".

### **Perspectives**

A special thank you to Katherine Arveseth and Saydi Shumway for the wonderful Gallery Stroll last night. It was so fun to see how much effort was put into the entries and how many talented students we have!

### **Girls on the Run**

Calling all 3rd-6th grade girls! It's that time of year again for Girls On The Run to begin! Your daughter should have come home with a flier today. CRA's official start date for Girls On The Run will be **Friday, March 15th** right after school **1:30-3:30**. We will continue every Friday that school is in session **until May 31st** and then the official *5K race day is on June 1st at Sugar House Park!*

I hear from a lot of parents that say "I want my daughter to do GOTR, but she's scared of the running". It's not just about running. Every week they are learning life lessons around the running skills and at the end of the program they will see they can accomplish hard things and complete a 5K! This will be my last year coaching Girls On The Run at Canyon Rim with my daughter graduating 6th grade. I am looking for a new parent to take over the program. Please reach out to me if you're interested in leading Girls On The Run at Canyon Rim in the future!

### **Maturation Program**

Several parents have been asking about the Maturation Program. We scheduled it later in the spring this year. It is scheduled for **April 4th**, and will be held during school hours toward the end of the day. All parents of 5th and 6th grade students are invited to attend with their child.

More info to come in the coming months.
