Art Night

Our yearly Art Night is rapidly approaching. We are excited to celebrate the historic railway, especially how Utah played a part in all of it. It will be held on:

**April 15th
6:00 to 8:00 pm.**

Thanks to everyone who donated scrapbook paper, and mini toys for the projects. We have all we need. We can't thank you enough for your support!

We are still looking for a some last minute volunteers to help out in some of the project rooms. If you, a grandparent, an in-law, or college student would be available to come volunteer some time to help out that evening, please contact Amanda Moore at aelvisj@icloud.com or 801-633-2498

Maturation Program

We wanted to send a HUGE thank you to Dr. Jen Kinghorn, and Dr. Jim Memmott for coming to present to our 5th and 6th Grade students at the Maturation program yesterday. They did an amazing job instructing our students on these important topics. We are lucky to have such dynamic people in our midst that donate their time to share their knowledge. Thanks to all the parents who came to support your students. As the presenters shared, it's important to continue those conversations at home.

March Grow Challenge Winners

Congratulations to our March Grow Challenge winners! The students were asked to report on the ways they were making and reaching goals to become more organized. Here are the students and teacher that impressed the committee this month:

First grade: Rosemary Allred

"I got organized and organized my whole room and bedroom."

Second grade: Andrew Cundick

"I helped my teacher put stickers on the books to organize them."

Third grade: Roman Tate

"I became more organized by cleaning up my messes and helping clean up other people's messes."

Fourth grade: Isabell Stecki

"My brother and I do chores around the house and yard so it is more organized. When we earn our money we give it to charity."

Fifth grade: Jane Barker

"I can organize my thoughts for being kind so I never feel sad. When I do this it's easier to feel confident."

Sixth-grade: Oliver Gibbins

"My teacher taught me how to take notes to be more organized in learning. I've been using that skill, and I'm so appreciative to have her for a teacher! Miss Tabery is amazing!!"

Teacher Spotlight: Mrs. Tabery

"She helped all the students get organized for our Teton Trip!"

Our Challenge for the month of April and May is to have the students reflect and report:

"How have you become a better student this year?"
