

PTO Newsletter, 8-31-2018

Dear CRA Parents,

Thank you so much for coming out and supporting our Carnival, it is always such a fun event. A special thank you to Sarah Baker for heading up the carnival this year. It was a great success!

Direct Donations:

- Thank you all for your direct donations!!! These funds go directly to the amazing programs, field trips, teacher projects, and all CRA activities outside the classroom. CRA would not be what it is without your generosity!

- Just quick reminder that today is the last day for the direct donations and the tally sheet to be turned in. If you would still like to make a donation, get an emergency kit, or a school directory it needs to be turned in today. Also, please remember to go to the link that was sent out yesterday to fill out your information for the directories. The deadline for this information will be Friday, September 7th. Here is the link again

Back-to-School Assembly:

- We had a lot of fun showcasing our new theme of "GROW". The news even showed up to cover our antics! <https://www.deseretnews.com/article/900030015/photos-weird-science-experiment-teaches-students-about-growth.html>

[Photos: Weird science: Experiment teaches students about 'growth'](https://www.deseretnews.com/article/900030015/photos-weird-science-experiment-teaches-students-about-growth.html)

Students at Canyon Rim Academy, a K-6 charter school in Salt Lake City, used science to help illustrate the school's theme for the year.

-Ask your children about our huge GROWING science experiment. See if they can tell you the 4 words everyone need in order to GROW! (try, self, time, grit)

- We also gave our kids a sneak peak of what is to come for our annual CRA fundraiser we will hold later this year. Because of the great success we had from last year's fundraiser, we will be hosting a "Let's Make a Deal" game show again. Our prizes are bigger, and better,

and we are expanding our efforts to make this a community event. Details coming very soon!

Principal Fuller has issued our first Monthly Grow Challenge:

- "Be a good Sport!"
- Starting on Sept. 4th, there will be a growth challenge box near the front office. Students are encouraged to write their name, grade, and ways they are exemplifying that goal this month, and place it in the box.
- We will choose one student each month from every grade, who is really making strides, and we will feature them on the bulletin board, and they will receive a prize!

Room Parent Tea -

- This will be held Thursday, September 13 right after school. If you are a Room Parent , Please plan on attending this. This will be a time for you to meet with your teacher and find out dates of the parties and what is needed. Thank you so much for being willing to help out!

Looking Ahead

September 11th-13th- Family Lunch

September 13th- Room Parent Tea
