A note from one of our teachers: Alyson Bowthorpe

I have spent each morning for the last eighteen years with 4 year olds. I love their openness and curiosity. I love the funny things they say. I enjoy teaching them new ideas, reading great books to them, working with them on writing strokes, paper cutting skills and finger painting. I enjoy thinking of creative ways to help them learn new things. I love my job.

I have especially enjoyed working at Canyon Prep Academy these past 9 years with my co-teacher Amy. The children are wonderful, the parents are supportive and the classroom is full of exciting things. We have a fabulous dramatic play area, a water table and library bookshelf full of books, a rug for gathering and a sand table for playing in. I love that we have our own outside entrance into the room and our own bathroom. Our parent volunteers have been enthusiastic about our program and enjoy coming to participate. For 2020-21 we are requesting that each family volunteer 7-8 times during the year (and even more if they would like to). Parent volunteers make a big difference in our classroom and to their children's education.

Canyon Prep Academy is an incredible place to start your child's school experience. I would love to have your child in my class.

A few parent comments:

*We love Canyon Prep Academy! Miss Alyson and Miss Amy are great teachers! It's nice to get to volunteer in class and work with the children. My son loves telling me about his day at school and what snack they ate that day! He is learning many new things and I'm thankful Miss Amy and Miss Alyson are preparing my son for the next chapter of his life, kindergarten! -Kamille

*"We have loved our time at Canyon Rim Prep Preschool. What a perfect place to prepare your 4yr old for Kindergarten. Ms. Alyson & Ms. Amy go above & beyond to ensure these kids are in a loving, kind, welcoming environment. As a parent who has volunteered in the classroom it's been incredible to watch all they can do during class time. Each day is engaging, interactive & always well thought out. We have had a few preschool experiences & this one as exceeded all our expectations. We just adore Ms Alyson & Ms Amy." - Heather

*Alyson and Amy are truly wonders at their craft! Not only do they have immense hearts and endless energy, but they are creative, thoughtful, and true teachers. I am amazed that they are constantly teaching, even in transitions – they never stop! My son brings home an art project every day and fills up our wall with color and joy! He is learning social skills, colors, simple math, how to take care of art supplies, music, and social studies, animal facts, and so much more! I will forever be grateful for this preschool experience for my son! Thank you, thank you! - Ali

*Nora has absolutely loved being a part of this amazing preschool. She comes home daily, full of excitement about everything she is learning and doing, and is eager to go back every morning. This speaks to the positive environment Miss Alyson and Miss Amy have created, and is helping to pave the way for her future success in school. For that, I could not be more grateful. Thank you so much! -Jessie
